NICHOLAS HALL'S ASIA-PACIFIC CHC CONFERENCE AND MARKETING AWARDS

Speakers:

Nicholas Hall

Executive Chairman & Creative Solutions Director

Nicholas Hall Group of Companies

Nicholas is **Executive Chairman & Creative Solutions Director** of the Nicholas Hall Group of Companies, an elite consulting, business intelligence and executive recruitment company primarily serving the consumer healthcare industry since 1978.

After a career in marketing and general management with Procter & Gamble, Vicks and GD Searle, Nicholas set up his own company, which has remained resolutely independent as it has expanded and flourished. Throughout that time Nicholas has managed the company's consultancy practice, which has among its clients many blue chip OTC companies, as well as some of the leading local laboratories in Europe, Asia, Middle East and Latin America.

He has more than four decades of experience in the healthcare industry and has chaired and moderated over 300 conferences and seminars in 58 countries.

Maria Valentina Sposito Lemoine

ASEA Zone Head, GM (SEA, South Korea, HK & Taiwan)

Opella

Global Executive with demonstrated success in general management, strategy development, marketing, innovation, customer development across developed and developing markets. Proven expertise in building, leading and motivating multi-functional global, regional as well as high performance local leadership teams. A successful track record of developing, launching and growing profitable businesses and new functions to engage Consumers, Shoppers and Customers to build brands.

Jennifer Cooper

Chief Scientific Officer

LPS Health Science

Ms. Cooper has spent over 25 years in consumer healthcare, including supplement, food and over-the-counter drug companies. She has held senior science roles at companies in the US and Europe.

She has consulted on products and business development projects in North America, Europe, Mexico and Asia. Ms. Cooper's consulting work includes several Fortune 500 and multinational healthcare corporations, and she has developed over 300 new and innovative products in nearly a dozen countries with more than a billion dollars in sales.

Dr. Noppadon (Nhum) Adjimatera
