M&A Watch Quarterly Intelligence (coming 2026)

Strategic interpretation of standout deals and implications for market participants: What are the market signals?

Helping strategic decision-making at both the buy-side and sell-side

Portfolio Strategy

Benchmark your business units against comparable transactions to inform build vs buy vs divest decisions

Capital Allocation

Understand valuation ranges and premium drivers to optimise investment timing and resource deployment

Competitive Intelligence

Track consolidation patterns and buyer behaviour to anticipate market shifts

Transaction Readiness

Arm your corporate development team with credible valuation expectations and comparable precedents

1

Specialist

We have an in-depth Consumer Healthcare market knowledge and foresee future trends unlike generic database providers

2

Advisory experience

We have hands-on transaction experience and have supported many PE sponsors and strategic buyers on actual deals, on both the buy and sell side

3

Actionable intelligence

Not just raw data -- includes interpreted trends, buyer behaviour patterns, deal rationale and strategic context to support decision-making at the transaction table

4

Affordable premium service

Fraction of the cost of broad M&A databases (PitchBook, CapIQ) while providing more relevant, curated Consumer Healthcare insights from practitioners

Trusted advisors to leading strategic and financial buyers on high-profile Consumer Healthcare transactions

CapVest/Stada

Specialist adviser to CapVest on the Consumer Healthcare workstream

Dr Reddy's/Haleon

Buy-side due diligence on the Nicotinell acquisition plus integration

Cooper/Viatris

Sell-side strategic consulting on Viatris's OTC portfolio divestment

Zentiva/Sanofi

Commercial due diligence for Zentiva's acquisition of Sanofi OTC assets
