

Table of Contents

1. Looking over the Horizon	1
15 Infinity Zones	4
Forecasts for the mainstream retail sector	9
Best Case	10
Worst Case	12
Model 1 (DtC) vs 2 (OTx)	13
2. CHC Market – Situation Report	15
2014-18 (and a little further back)	15
What happened in 2018	18
North America	20
Europe	23
Japan	27
Australasia	28
3. Emerging Markets	31
Overview	31
BRICITS	32
2nd tier	38
The new 3rd tier	40
4. Healthcare Trends	44
Upturn in some illnesses and conditions	44
Allergy (and allergy-associated asthma)	44
Obesity and diabetes	47
Autism Spectrum Disorders	49
Attention Deficit / Hyperactivity Disorder	50
Medical provision	51
How governments aim to reduce the healthcare “burden”	52
Big Pharma: Does it have a future in Consumer Healthcare	55
Why are pharma players exiting consumer healthcare?	56

5. Engaging with the Consumer	58
Demographics	58
Strepsils / Strefen – carving a niche as severe sore throat specialist	62
With less time, convenience is key for consumers	64
A rapidly growing middle class	66
The Ageing Consumer	67
Women vs Men	70
Is there a gender gap?	71
Defining the women’s CHC market	72
Unmet needs: opportunities for successful switch	74
Building female franchises	75
Eve – dynamic ibuprofen brand with simple selling point	77
What about women’s heart health?	78
“Femtech” potential	78
What about Men?	80
Defining the men’s CHC market	80
Unmet needs: opportunities for successful switch and geographic expansion	81
Neutrogena – intelligent expansion via light masks and devices	85
Prevention & Lifestyle	86
6. How to Innovate (at last!)	89
Why CHC isn’t innovating	89
Which new entries are the game-changers?	92
Innovation zones: delivery, devices, diagnostics	96
Innovation zones: new delivery systems	96
Innovation zones: medical devices for treatment, relief or prevention	100
What about smaller segments?	103
Innovation zones: diagnostics & monitoring	104
Thorne Research – premium VMS line moving into personalised nutrition	106

7. Regulation	110
The overall trend to deregulation and reregulation	110
Tighter regulation: aiming for improved safety	111
Addictive, dangerous and potentially fatal misuse	111
Children’s medicines – going, going, gone, honey?	112
Supplements – regulated or not?	112
Medical devices – EU shows way to better regulation	114
8. Rx-to-OTC Switch	117
Why switch?	118
Switch models	119
US vs ROW: Can switch be profitable only in USA?	122
EU’s Centralised Procedure	124
Recent switches: what went right / what went wrong?	126
Voltaren – leading topical analgesic thanks to strong identity and NPD	129
What’s coming down the pipeline?	132
9. Cannabis	133
Regulatory	137
Other notable markets	140
Who are the cannabis industry leaders?	144
10. Sexual Health	146
Contraception	146
Oral contraceptives	146
Emergency contraception	151
Condoms	153
Vaginal rings	156
Spermicides	157
Diaphragms	159
Male contraceptive pills and gels	159
Prenatal VMS	160
Pregnancy tests	165
Fertility lubricants	167

10. Sexual Health (cont.)

FemTech	169
Fertility and birth control apps	170
Ovulation and fertility kits & monitors	171
Leading and latest devices	171
Erectile dysfunction	174
Generic competition increasing	175

11. Diabetes

Obesity	177
The market for weight loss drugs continues to be flat	177
OTC weight loss launches 2017-19	178
Fat binders, carb blockers & appetite suppressants	180
Meal replacements regaining prominence	182
Probiotics for weight loss	186
Limited evidence for many weight loss supplements	187
Weight loss apps, trackers & wearables	188
Diabetes	189
OTC market for diabetes care	189
Diabetes innovation	190
VMS options for diabetes have potential	192
Meal replacements and emerging ingredients	193
Eye care for diabetics	196

12. Health through Digestion

Probiotics	197
Probiotics market today (1): The markets, players and brands	197
Probiotics market today (2): The focus is on gut health	200
OMNi-BiOTiC – diverse European probiotics range	204

Other intolerances	208
Nutraceuticals	211

12. Health through Digestion (cont.)

Rising investment in nutraceuticals & nutritionals	211
Foods making health claims in Japan	212
Nutraceuticals & nutritionals expanding fast in Asia	213
CH marketers must contend with food players in this sphere	214

13. Go Green 217

Herbal & natural products	217
“Pure” single-ingredient H&N supplements	219
Natural supplements for lifestyle	221
Burt's Bees – beeswax beauty brand boosted by natural heritage	222
Natural topical analgesics	223
Natural cough remedies	225
Zarbee’s – honey-based cough remedy successfully diversified	226
Innovation	227
Immunity & detox	229
Immunity	229
Myriad other supplements for immunity	232
Detox	234
Hangover remedies	236

14. Sleep, Mood & Stress 239

Sleep disorders	239
Overview	239
OTCs & supplements	241
Recent developments	242
ZzzQuil – US diphenhydramine leader expands into herbal & naturals	244
Switch	246
Mental health, mood & stress	248
The next global epidemic	248
Products for mental health, mood & stress	250
Innovations	253
CBD – the hottest new medicine in mental health	254

14. Sleep, Mood & Stress (cont.)

Probiotics: the gastrointestinal tract is the “second brain” 255

15. Cosmeceuticals 258

Fortified cosmetics 259

Aesthetic treatments 259

Retinoids 260

Cannabis-infused skincare 263

Cosmeceutical supplements / beauty nutraceuticals 265

16. Distribution 266

Why Pharmacy Point-of-Care? 267

Treatments that benefit from PPOC 268

The US in-store clinics model 269

And elsewhere... 270

GSL 272

Self-selection in France, Italy & other countries 273

Dealing with powerful chains – the Five Squeezes 275

Private label 276

Retail Category Management – bringing order out of retail chaos 276

Retail Category Management – the facts 277

Shopper insights 278

Category Captains 279

Is RCM only for Model 1 distribution? 280

Network / Multi-Level Marketing 281

Amway 283

Appendix 1: Key pharmacy chains 284

Appendix 2: Chain pharmacies by region (Americas, Europe, Asia) 285

Appendix 3: Pharmacy chains / groups 288

Appendix 4: Pharmacy chains in China 290

Appendix 5: Pharmacy buying groups and franchises 292

Appendix 6: Suitcase trade (*daigou*) in China 295

17. The Digital Revolution	296
GSK's digital / e-Commerce strategy	298
Consumer influences (and influencers)	302
The accelerating trend to greening	304
Digital advertising	305
Successful digital campaigns	307
Sensodyne – “Best in Class” Amazon Case Study	307

Vicks – “Best in Class” Amazon Case Study	325
Leading OTC brands (USA) – Online purchasing guidance	328
Alibaba Group	329
WebMD	335
18. Competition – Winners, Survivors & Losers	336
Why are the MNCs underperforming?	336
Key regional / local marketers	340
Top 20 players	341
GlaxoSmithKline	342
J&J	344
Sanofi	346
Bayer	348
Pfizer	350
RB	352
P&G	354
Taisho	356

18. Competition – Winners, Survivors & Losers (cont.)

Takeda	358
Novartis	360
China Resources 999	362
Otsuka	364
Teva	366
Mondelez	368
The Nature's Bounty Co	370
Prestige Consumer Healthcare	372
Mylan	374
Bausch Health	376
Abbott	378
Perrigo	380
Clorox	382
Nestlé	383
Unilever	384

19. M&A **385**

GSK-Pfizer j-v	387
Are OTC acquisitions always a sideshow of Big Pharma?	389
Multiples	390
Does M&A work?	390

20. Managing Brands for Long-term Profit Growth **395**

What makes a brand?	395
Building brand values, strengthening consumer loyalty	400
Is the OTC industry already generic?	402
Adding value, raising prices	404
Umbrella branding and line extensions – fewer SKUs, more focus	408
Bepanthen / Bepanthol – key franchise in Bayer's CHC portfolio	412
Is Mucinex over-extended?	414
OTC profitability	415
Building critical mass on a global scale	418
